Merici College is a Catholic school for young women in Years 7 to 12. We congratulate the graduating class of 2015 and celebrate their achievements. 94% of our 2015 Year 12 cohort will continue their education and training whilst 6% have moved into, or are seeking, full-time employment.

Here at Merici College we provide an engaging educational environment, designed to challenge our students to take risks within and beyond the classroom to achieve individual academic excellence. We foster within our students a life-long love of learning, where each young woman is given the opportunity to grow spiritually and intellectually in order to make a positive contribution to society.

We are proud of what our students accomplish and how they go on to build exceptional futures.

Merici College challenges you to love life, have hope, be faithful and build futures more wondrous than you dare to dream.
