

Merici College Music Tuition Policy

Merici College offers private music tuition on a number of instruments during school time. Students enrolling in private music tuition are reminded that this requires a significant commitment, at school during lessons and at home whilst practicing.

It is the student's responsibility to attend, on time, all scheduled lessons. Each individual tutor will advise their policy on missed lessons, including lessons missed due to instruments or equipment being forgotten. It is also the student's responsibility to notify their teacher of any absences due to excursions etc. All Students must have a Music lesson card with them at all times and show to their teacher before departing to attend a music class. Music lesson cards may be collected from the Expressive Arts staffroom.

Teachers will invoice parents directly, and fees may vary between individual teachers. Costs are approx. \$40-45 per half hour lesson. Teachers will contact parents to arrange lesson times and will rotate lessons each week to ensure your daughter does not miss the same academic class. Merici College has a number of instruments available for loan, however, in the event demand exceeds supply we will first assign to girls involved in our Ensembles program.

Ensembles Program

Students learning an instrument are strongly encouraged to join one of our Ensembles. These include Merici Concert Band, String Ensemble, Vocal Group and Guitar Ensemble.
