

ANU Extension

INVITATION: Information Evening

FOR CURRENT YEAR 10 STUDENTS WHO WILL BE YEAR 11 STUDENTS IN 2022

ANU Extension is an academic program that is designed to provide an enhanced learning experience for Year 11 and 12 students. The program is open to all domestic students that will have a concurrent full-time enrolment in year 11 or 12 at an Australian secondary school in 2022. Successful completion of their studies in ANU Extension may lead to an early offer for entry to ANU that will allow them to articulate into an ANU bachelor degree program and receive credit towards this bachelor degree. ANU Extension programs contribute to the Senior Secondary Certificate and toward the calculation of their ATAR.

It is anticipated that in 2022 advanced courses will be offered in

ASTROPHYSICS, CHEMISTRY, BIODIVERSITY, PHYSICS, SPECIALIST MATHEMATICS, DISCOVERING ENGINEERING, CREATIVE COMPUTING, JAPANESE, CHINESE (MANDARIN), INDONESIAN, KOREAN AND COMMERCE.

Information Evenings will be held over 2 nights
