

We appreciate your patience as Stage 1 of Light Rail construction - Gungahlin to City - continues. Below is a summary of upcoming works. Visit the [interactive map](#) to see the full list of current works along the corridor.

Light Rail Vehicle (LRV) Testing Update 31 August

Testing next week kicks off with daytime brake testing from Monday 3 September. This will continue between Nullarbor Avenue and the Mapleton and Maning Clark intersection. Driver training continues in earnest from Gungahlin Place to Nullarbor Avenue and final preparations are underway to test LRVs from Mitchell to Dickson, which will take place later in September.
