Return of note/money	n/a		

Dear Parent/Guardians,

An excursion has been organized for the Year 9 Economics and Business classes to visit the Canberra Centre. The purpose of this excursion is to consolidate concepts presented in class concerning Australia's trade in a global context. Students will be expected to make some observations to investigate these concepts.

Please advise the organising teacher if there is any reason your daughter cannot participate in this excursion, such as an appointment, and arrangements will be made for her to remain at school.

Please remind your daughter that appropriate behaviour is expected at all times as she is a representative of the College.

For further information, please do not hesitate to contact us on 6243 4100 before the excursion.

Yours sincerely,

Maureen Adams and Anne Curran
