

22-28 FEBRUARY 2021

GIFT OF LIFE'S
DONATELIFE Walk
TAKE THE NEXT STEP

VIRTUAL

In 2021 Gift of Life is hosting our COVID-safe annual **Gift of Life DonateLife Walk – Virtual**.

Join thousands in the ACT region and across Australia to walk up to 5 km with a team, family members or as an individual, any place and any time during the week 22-28 February, in support of organ and tissue donation.

Why?

Organ transplants save lives.

Our challenge is to increase the donor registration rates in the ACT and across Australia. Help us raise awareness and promote conversations about organ and tissue donation.

Together, we can save lives.
