

Green Tip #4: Accepting Terracycle donations now for oral care, beauty product packaging and lids.

Call out to the Merici Community...
Our Terracycle collection is now ready to take your donations in the entry to Student Services.

For oral care products:

Please only toothpaste tubes and caps, manual toothbrushes, electric toothbrush heads, and floss containers.

Not accepted are electronic toothbrush handles and bases. Terracycle offers a separate programme for these items if you are keen to follow up.

For beauty product packages:

Please only items that cannot be collected in your kerbside recycling:

- Hair gel tubes and caps
- Hair spray bottles and triggers
- Lip balm tubes
- Face soap dispensers and tubes
- Shaving foam tubes (no cans)
- Lip gloss tubes
- Mascara tubes
- Eye liner pencils and cases
- Eye Shadow tubes
- Concealer tubes and sticks

Not accepted are aerosol cans, perfume bottles, nail polish bottles, and nail polish remover bottles, electronic items such as blow dryers and straighteners, any bio-medical or bio-hazardous waste or any contents of packaging such as nail-polish, lotion, soap or ointments.

For lids:

This one is straightforward, any plastic or metal bottle cap or lid.

Put your separated donations in these bins at student services:

Thanks for your participation!
