### Coaches and Managers

Teams rely on the support of volunteers, especially coaches and managers. Without this support teams will not be able to take to the court. The College will be unable to field teams that do not have a coach. I would appreciate any parent, whether you understand Basketball or not, who is able to volunteer to coach or manage contact me as soon as possible.

**Age groups**-Age groups for the **2022 Winter Season** are as follows:

To be eligible to play in an age group a player must be under the required age on the 31st December of the year in which the competition is to be completed (2022). For example, a player may participate in Under 19's provided they do not turn 19 during the year in which the competition is completed (2020).

- **Under 14** – born 2009 or 2010
- **Under 16** – born in 2007 or 2008
- **Under 19** – born in 2004, 2005 and 2006

**Basketball Season**-The competition is organised by Basketball ACT and is played at Belconnen or Tuggeranong Basketball Centre. Exact days will depend on the grade. The website for Basketball ACT is available at [www.Basketballact.com.au](http://www.Basketballact.com.au)

**Season Dates**-I ask that before completing forms and committing your daughter to Basketball that you are aware of what this commitment entails. Teams will train for an hour once per week. It is an important part of developing teamwork, commitment and awareness of responsibility and parents need to reinforce this. In order for teams to be registered, each team will require a minimum of eight players, a coach and manager.

Please do not hesitate to contact me if you have any concerns or questions.

Yours sincerely,

Susan Anderson
