# MERICI & SEQTA

WHAT IS SEQTA?

SEQTA is used:

- As our **learning management system** – for lesson content, distribute and view assessment tasks, release assessment results

- **Timetables** – visible to students and parents

- **Reporting** – all reports are released to parents through SEQTA Engage at the end of each semester

- **Homework** – teachers record in their lessons the homework students are to complete

- Important notices for **activities and groups** – to keep the students up to date on what is occurring throughout the College

SEQTA

SEQTA has three different parts:

Teach

Teachers

Engage

Parents

Learn

Students

SEQTA ENGAGE

- Parents can log on to SEQTA Engage anywhere, anytime as it is a web-based platform that also has an available app for mobile devices.

- You can also see your daughters' absences in the Dashboard so that you can follow up on any that may be outstanding.

- Notifications will be sent to you (via the email and/or app) when assessment results are released so that you can see the teacher commendations and recommendations as well as the overall result.

- Access your daughters' goals set each semester/year to see what their vision is for themselves.

HOW DO PARENTS CREATE AN ACCOUNT?

- Fill in a request for a parent account:
  https://merici.college/go/familyaccountrequest

- A login and temporary password will be emailed

- Engage can be accessed via school website:
  https://www.merici.act.edu.au/my-merici

- SEQTA App is available for iPhone and android
