Business Cadetship applications close soon

For Year 12 students who wish to enter the business world, why wait until you finish university to start your career? Apply for a cadetship under the Business Cadetships Program.

**Business Cadets** combine study at the university of their choice with paid work at **UBS** in Sydney, a top-ranking global bank. Cadets may choose from a wide range of degrees, including economics, commerce, the humanities, mathematics and computer science & technology. Under the Business Cadetships Program, UBS will continue to place cadets across the firm. In addition, as part of the Program, the bank intends placing cadets in UBS Group Technology.

By studying and working at a leading company from the start of university, cadets earn a competitive advantage over students who delay work until after university. Only current Year 12 students can apply so this is your one and only chance to take advantage of this exceptional opportunity!

Applications for the Business Cadetships Program are currently open and **close on 15 May 2019**.

By this date, both your Application Form and School Assessment are due in.

To apply, go to [www.businesscadetships.com.au](http://www.businesscadetships.com.au)
