

NSW and ACT – Pathways to Post School Life

The National Disability Insurance Agency (NDIA) would like to invite NSW and ACT students with a disability in Years 9 -12, their parents, carers and education professionals, to attend a virtual information session.

This is a session about building skills and paving a pathway to post school life. We will discuss a range of NDIS-funded supports and other assistance to help young people build skills to prepare for their transition, and support them in achieving employment and other goals, post-school.

This session will be delivered via video-conference using Microsoft Teams. Registrations will close three business days before the event. Two business days prior to the event, details to join the session will be sent from events@ndis.gov.au to the email address you provide at registration, so please ensure your registered email address is accurately captured to receive these details.

For any enquiries regarding this session, please contact events@ndis.gov.au and include the session name in the subject line.

Where:

Virtual Information Sessions delivered via Microsoft Teams
