PROJECT ROCKIT is inviting your school to nominate 25 students in Years 7-9 to attend a *free* Digital Ambassador event, run by young people for young people. Through our strengths-based framework, we'll explore the risks and rewards of the digital world, foster empathy and equip students with the tools to challenge (cyber)bullying, create social change and use their online power for good.

**START:** 9:30am for a 9:45am start. Morning tea is provided

**FINISH:** 1:15pm event concludes

**WHERE:** See info within email

**COST:** Free thanks to Facebook & Instagram!

**RSVP:** Places are limited! To secure your spot, you must register to attend

Transportation, parental consent and student supervision for the forum is the responsibility of the schools to organise.

## And...then what?

But wait! There's more. Not only are your students invited to the Digital Ambassador event, but you will also gain free access to PROJECT ROCKIT's Action Hub! The Action Hub is an Australian online platform that will ensure your students continue the conversation and their learnings beyond the event by connecting you with lesson plans and activities that map directly onto Australian curriculum. Pretty cool, huh!
