International Arts and Culture Day, Wednesday 30th November

Dear Parent/Guardians,

As part of the IB Middle Years Programme, developing international mindedness in our students is at the core of teaching and learning at Merici. In developing this awareness and providing students with the opportunity to learn a range of international artistic and cultural skills and understanding, Year 7 and 8 students will be participating in an International Arts and Culture Day on Wednesday 30th November.

This will be a unique creative and intercultural experience where students will engage with guest speakers and performers, an inter-house trivia competition and workshops in the afternoon.

Your daughter must submit preferences for the afternoon workshops they wish to attend, and these will be allocated on a first-in first-served basis. The link will be sent out to students via email closer to the date.

Students must come prepared for a regular school day, but they are encouraged to wear their PE uniform (shorts or track pants). If they cannot wear the full Merici PE uniform, they should come in their summer uniform.

Please remind your daughter that appropriate behaviour is expected at all times as she is a representative of the College.

For further information, please do not hesitate to contact us on 6243 4100 before the excursion.

Yours sincerely,

Clare Freeman
Acting Languages Coordinator

Alison Fogarty
Creating and Performing Arts Coordinator
