

22 August 2018

To the Merici College Community,

Please find attached a schedule of changes to school bus service route numbers for services which operate to and from your school which will come into effect from Monday 3rd September 2018.

These changes are being implemented to improve the provision of consistent, accurate and easily identifiable bus services across regional New South Wales and improve customer access to current transport information.

The naming and numbering of school routes will be updated as detailed on the Schedule of School Route Service Changes attached. I would appreciate it if you could forward this information to students.

In addition, a full listing of the new school route numbers will be available on the Qcity Transit website, www.qcitytransit.com.au prior to the changes coming into effect on the 3rd September 2018.

During a transition period of one month all school bus services will display the current/old bus number and the new bus number to ensure students and teacher can clearly identify them.

Please advise parents that should they have any further queries they can check the Qcity Transit website, call Qcity Transit on (02) 6299 3722 or contact TfNSW directly on 131500.

Yours Sincerely

Stephen Bushby
