Information for Parents and Students:

**Great news!**

Merici College has subscribed to the ELES Online Study Skills Handbook. The ELES Online Study Skills Handbook provides a comprehensive and interactive online guide for the school community (students, parents and teachers) as to the study skills needed for success in high school studies. This approach taps into students’ affinity with technology to create a new and effective way to improve students’ study skills and supports the Academic Welfare Tracking occurring in our Pastoral Care classes.

This is a great online resource for parents and students to address all their study skills issues and concerns and enable students to learn new ways to improve their results at school. The handbook has a huge amount of information for both students and parents as well as a large number of interactive activities.

To access the handbook, go to www.studyskillshandbook.com.au and login as a subscriber with these details:

**Username:** mericicollege

**Password:** 24achieve

We encourage all parents and students to take advantage of this opportunity to further develop their students’ study skills abilities through this online resource.
