Dear Parents and Carers,

Tell Them From Me® (TTFM®) Survey

As part of our focus on school effectiveness, Merici College will be participating in an online survey for students & parents – Tell Them From Me® (TTFM®). The survey will provide us with valuable feedback for reflection & improvement

Student Survey

During the next few weeks, all students will be given the opportunity and time to participate in this survey during regular school hours. Students who agree to complete the survey will be given a random username and password to access and complete the survey online. Students' names cannot be linked to their responses which allows it to be completely anonymous. Results will show all student scores combined together – it is not possible to single out individual students in the results.

The survey takes approximately 15-20 minutes to complete. The survey measures include such topics as emotional and social well-being, physical health, and behaviours and attitudes linked to student success. The survey also allows students to give their thoughts and feedback in open-ended question responses.

Participation in the survey is entirely voluntary. Your child will not take part if either you or your child do not wish to. If, during the survey, your child is uncomfortable answering any question, she should leave it blank and move on to the next one. Your child can stop the survey at any time. We will be providing some time during a long Pastoral care lesson on Monday 6 June for students to complete.

If you do not want your child to take part in the survey, please complete the attached form and return it to Mr Phil Coe, Deputy Principal Development c/- ros.parisi@merici.act.edu.au. If you would like more information, please do not hesitate to contact the College.

Parent Survey

We would like to invite you as parents/carers to complete the *Tell Them From Me (TTFM) Partners in Learning* survey. As we value the role of parents and carers within our school community, we would greatly appreciate your feedback. The information you provide will be used to maintain our commitment to working together in partnership to further improve student learning and wellbeing at Merici College.
