2021 Naplan testing:

ACT schools will participate in NAPLAN Online testing from 11-21 May 2021.

ACT schools undertaking NAPLAN Online this year will participate in a practice/familiarisation test between 22 March and 23 April 2021. The practice test does not assess student performance and has been developed to replace one of the familiarisation activities that schools have traditionally undertaken.

As a parent, you can become familiar with NAPLAN Online tests by visiting the public demonstration site, <http://bit.ly/naplanonline>. The purpose of the site is to familiarise students with the type of items they will see on NAPLAN Online and related functionalities. This level of familiarisation is worthwhile to help students understand and be comfortable with the format of the test.

NAPLAN Online allows for tailored testing. This means that students are presented with sets of questions based on their performance during the test. This model provides students with the opportunity to better demonstrate their range of literacy and numeracy skills and it is more engaging for students. Further information explaining tailored testing can be found at <https://bit.ly/2PgG7rL>.

If you have any questions or wish to discuss your son or daughter's participation in this event, please contact Kate Durham – Head of Junior School.

MISSION AND COMMUNITY

Christian Service Learning Program (CSLP)

Earlier in the term, Year 7 students participated in an introduction session to the Merici College Christian Service Learning Program, Service and Action (IB MYP) and the launch of their first project, the *Year 7 Lenten Project*. This service project is to be completed during the period of Lent (Ash Wednesday to Easter), students will spend some time in their RE classes completing aspects of their booklets but will be required to also take these home to complete some activities and for parent / carer verification of completed service hours.

Year 7 Lenten Program

Students have been instructed to commit to volunteering for 10 hours serving people in need and learn from the experience about the gift of caring for others. Students are encouraged to complete these hours in their home, local neighbourhood or Merici College. If your daughter(s) is/are volunteering beyond the home and Merici College, please ensure you are aware of this and we advise parent supervision. We are encouraging your daughter(s) to complete their hours as much within the home as possible due to COVID-19.

Students are reminded to gradually complete their journals over the period of Lent; registering the hours in service and reflecting on the experience through responding to various questions. The completed hardcopy journal needs to be submitted to their relevant RE Teachers **by Tuesday 20 April** (Week 1, Term 2). If students have misplaced their journal they need to contact their Religious Education teacher.

Please contact Ms Amy Connellan, Head of Mission and Community at amy.connellan@merici.act.edu.au if you have any questions.

Project Compassion - supporting Caritas

"Aspire not to have more, but to be more." – Saint Oscar Romero

'This lent, join millions of Australians who want to end poverty and injustice in our world.' (Caritas Australia, 2021).

Merici College is once again supporting Caritas Australia's Project Compassion Lenten fundraising and awareness-raising appeal (Wednesday 17 Feb. - Wednesday 31 March). Starting on Ash Wednesday, students have been asked to donate their spare change.

This year, Merici College has its own fundraising page on Caritas website where students and families are invited to donate to their individual Houses <https://lent.caritas.org.au/t/mericicollege> (click on the arrow under the House at the bottom of the first page to take you to the next page). Students can also access QR codes for their individual House collections and are also invited to contribute cash to their individual Pastoral class Project Compassion collection box. Various activities and stalls will run during the period of Lent to also support Project Compassion. The Teachers vs Yr 12 Students Netball match this week saw the teachers take out the first win!!

Each Friday, ongoing House tallies will be displayed to students. College Cup points will be awarded after the final collection on Wednesday 31 March. The overall aim is for Merici College to support Caritas Australia's initiatives. Students are also viewing the weekly Project Compassion feature stories in RE lessons which raise awareness about the issues faced and highlight how Caritas Australia is supporting vulnerable people to develop their strengths and create change in their own communities.

Further information regarding Project Compassion can be found at: <https://www.caritas.org.au/> . If you have any questions regarding the Merici College Project Compassion campaign, please contact Amy Connellan, Head of Mission and Community at amy.connellan@merici.act.edu.au .

CO-CURRICULAR NEWS

2021 Da Vinci Decathlon

The final teams have been chosen for Merici's shot at the 2021 Da Vinci Decathlon. A massive thank you to all the students who applied – though applications were slow at the start, we ended up with many more students than we could fit in the teams, and it was very difficult to choose.

If you applied and were not selected, please don't lose heart. The teams are usually reselected each year and I would love to hear from you again in 2022 with another year's experience under your belt.

The teams are as follows:

Year 7	Year 8	Year 9	Year 10
Eliza Bell	Grace Barber	Merryn Culhane	Keely Balind
Kashvi Budakoti	Zoe Crick	Hannah David-Hoole	Adele Choy
Alice Cobbin	Lucy Dunstan	Caelan Edghill	Matilda Hanley
Tamsin Gloag	Mellae Faber	Aryana Niyakan-Safy	Bella Loxley
Elizabeth Goldsworthy	Cate O'Rourke	Grace O'Mahoney	Rachael McKinnon
Tara Holmes	Rebecca Price	Olivia Scholten	Isabel Mercado
Hannah Morrison	Hannah Scott	Gabi Shoebridge	Emerson Whipp
Charlotte Price	Abby van Ballegooyen	Sofia White	Remy Yan

Please contact Dr White for further information, email Kathryn.white@merici.act.edu.au.

World Film Club

Starting in Week 6 this term, we will be opening a World Film Club. The purpose of this club is to give students the opportunity to watch films in a language other than English, with an emphasis (but not exclusively on) films in the languages we study in Merici College (Spanish, Chinese, Italian and French). These films will all be rated PG and, in general, available on Clickview, an online resource all students have access to.

The club will convene in C1/C2 lunch times every Friday. We will watch a film over two weeks at this time. We generally will not have enough time to complete the film, so students will be able to watch the end of the film at home on Clickview. This will enable us to show more films over the school term. All films will be PG rated, and we will advertise to parents the fortnights film in advance.

If your daughter is interested in this club, please email your permission to Mr Baines at gregory.baines@merici.act.edu.au.
