## Coaches, Managers and Referees

The biggest hurdle faced each year is finding coaches for the teams. I would appreciate any parent, whether you understand volleyball or not, who is able to volunteer to coach, manage or referee to contact me as soon as possible.

All teams are required to have a parent as a Manager to register – no team will be allowed to play for Merici College without this. This is not a big commitment so please consider this role for your daughter's team.

## Volleyball Season

The competition is organised by Volleyball ACT and is played at Lyneham Hockey Centre on Tuesday nights. Games last season were played on the half hour from 4.30pm until 9.30pm (games for younger teams are usually completed by 7.30). The website for Volleyball ACT is available at [www.volleyballact.com.au](http://www.volleyballact.com.au)

The season commences Tuesday March 29 and continues until June 28. Please note that we believe games will not be held during the school holidays.

I ask that before completing forms and committing your daughter to volleyball that you are aware of what this commitment entails. Teams will train at least one morning per week, some one afternoon a week for up to 2 hours and during one lunch time. It is an important part of developing teamwork, commitment and awareness of responsibility and parents need to reinforce this. As well as playing on Tuesday evenings, teams in Div A and Div B will have duty – this is done roughly 6 times a season.

In order for teams to be registered, each team will require a minimum of eight players, a coach and manager. Please note that teams will change from last year.

Please do not hesitate to contact me if you have any concerns or questions.

Yours sincerely,
