Dear Parent/Guardians,

As you are aware the Year 9 and 10 Textiles students this semester will be designing and producing a quilt. With this as our objective, we feel that it would be beneficial for the students to attend the Canberra Craft and Quilt Fair. Students will partake in some free workshops and view the quilts on display for inspiration for their own work.

Please remind your daughter that appropriate behaviour is expected at all times as she is a representative of the College.

For further information, please do not hesitate to contact us on 6243 4100 before the excursion.

Yours sincerely,

Mrs Corinne Preston
Global Studies Coordinator
