Principles of Powerful Learning

Effective Teaching and Learning Processes

Culture of Dynamic Learning

- Regular, prompt constructive feedback
- Taking responsibility for one's own lifelong learning
- Valuing and caring for God's creation
- Engaging in open communication
- Creating enthusiasm, enjoyment and love of learning
- Sharing strengths and experiences
- Guided and self-directed learning
- Independent and collaborative work
- Scaffolded learning so every student can achieve
- Varied, stimulating and engaging experiences

Values

- To develop the whole person with Jesus Christ as model and guide
- Deep understanding and connectedness
- Relevant assessment based on clear standards
- Pursuing relevant, meaningful and appropriate curriculum
- Utilising diverse learning opportunities
- Acknowledging and catering for different learning styles
- Critical and appropriate use of current technology
- Appreciating cultural diversity
- Taking intellectual risks
- Challenging tasks
- Metacognition
- Goal setting and reflection
