As valued members of our extended Merici College family, we recognize and appreciate the significant role you play in the lives of our students. Grandparents Day is a cherished Merici College tradition that provides an opportunity for us to honour and acknowledge the invaluable love, support, and wisdom you generously share with your grandchildren.

This year, we have planned a meaningful agenda for you and your granddaughter. The day will commence with a liturgy in our College Auditorium. The liturgy will be a time for prayer, reflection, and gratitude as we come together as a community.

Following the liturgy, we invite you to join us for morning tea in our restaurant. Enjoy a cup of tea or coffee, indulge in delectable treats, and engage in conversations with fellow grandparents and their grandchildren. This time is a perfect opportunity to connect, share stories, and create lasting memories.

After the morning tea, we have arranged a special tour of Merici College, led by your granddaughter. This guided tour will give you a glimpse into the daily life and experiences of your granddaughter. Explore our vibrant campus, visit classrooms, witness the enthusiasm of our teachers, and see firsthand the incredible growth and achievements of our students. Your granddaughter will be thrilled to show you her favourite spots and share her journey with you.

Please indicate any special dietary requirements on the online booking portal where indicated.

Should you have any questions or require further information, please do not hesitate to reach out. We are here to ensure your visit is as enjoyable and comfortable as possible.

With kind regards,  
Veronica Harrold-Carter  
Head of Mission and Community
