
INFORMATION FOR PARENTS – APPLICATION FOR FEE CONCESSIONS

Low-income families, or families experiencing financial difficulties due to temporary exceptional circumstances may apply for school fee concessions. In line with the Catholic Education Archdiocese of Canberra and Goulburn (CECG) Archdiocese Fees Policy, no child is to be denied Catholic schooling because of an inability (as opposed to an unwillingness) of a parent/guardian to meet financial requirements.

We acknowledge that families must make choices and set priorities with respect to standards of living, investments, education and extra-curricular activities. We respect and understand that choosing a Catholic education reflects commitment to your child's well-being and personal growth in a non-governmental setting. At Merici College, we value this choice and want to ensure that financial concerns do not hinder your child's educational journey.

Fee concessions will normally apply to the academic year in which the application is submitted. Families are welcome to apply for concessionary fees each year as we understand that circumstances can change. The application for fee reduction should be submitted to the CECG school where your oldest child is enrolled.

Government Grants provide part of the funding required to operate the school. The balance of operating costs is met through school fees. It is important for our school's sustainability that families contribute to the best of their ability.

The Principal and CECG Finance will assess your application for fee concessions according to the School Fee Concessions Guide. If you are applying for fee concessions, you may be asked to meet to discuss your application with the Principal.

If you would like to apply for a reduction in fees please complete this form and return it to our Finance Manager, Jodi Wrenford at fees.office@merici.act.edu.au as soon as possible.

All applications and information provided are treated confidentially.
